Anti-Bullying Week

Next week is anti-bullying week. During the week there will be lots of activities and learning around anti-bullying. You are invited to attend a presentation by the School Council on Thursday 15th November at 2:45pm

Behaviours for Learning

Creative - This half term we are using our creative skills to help us become even better learners. Being creative means we think about different ways we can do things and try out our new ideas. Beavers are the animal we have linked to this behaviour as they are creative when they build their homes and dams. Please send photos of your child being creative at home through Dojo.
